**Cache In Trash Out (CITO)** is an ongoing environmental initiative supported by the worldwide geocaching community. Since 2002, geocachers have been dedicated to cleaning up parks and other cache-friendly places around the world. Through these volunteer efforts, we help preserve the natural beauty of our outdoor resources!

**CITO on every hunt** - Cache In Trash Out can easily happen on every geocache adventure. Bring a trash bag along with you on your walks in the woods and pick up the occasional piece of trash you see on the trail. Even this small act can make a huge difference.

**TAKE THIS BAG WITH YOU AND HELP CLEAN UP THE ENVIRONMENT RIGHT NOW!**
